## ONE

I have a cushion I don't use anymore, so I was thinking about throwing it away. But I leaned against it when I went to toss it out and remembered how comfortable it was, so now I can't throw it away.

—ONE

Manga creator ONE began *One-Punch Man* as a webcomic, which quickly went viral, garnering over 10 million hits. In addition to *One-Punch Man*, ONE writes and draws the series *Mob Psycho 100* and *Makai no Ossan*.

## YUSUKE MURATA

Sometimes I livestream myself drawing. Solitude used to be one of the perks of working late at night, but now I enjoy a raucous time with people from around the world while I work. It's amazing the way times change!

—Yusuke Murata

A highly decorated and skilled artist best known for his work on *Eyeshield 21*, Yusuke Murata won the 122nd Hop Step Award (1995) for *Partner* and placed second in the 51st Akatsuka Award (1998) for *Samui Hanashi*.

STORY BY ONE ART BY YUSUKE MURATA

**GARO**

# STORY

A single man arose to face the evil threatening human-kind! His name was Saitama. He became a hero for fun!

With one punch, he has resolved every crisis so far, but no one believes he could be so extraordinarily strong.

Together with his pupil, Genos (Class S), Saitama has been active as a hero and risen from Class C to Class B.

During a time of great danger to the Earth, a man named Garo, who admires monsters, shows up and begins hunting heroes. And during an outbreak of monster appearances, Metal Bat faces the giant Centichoro. Meanwhile, Saitama has taken an interest in martial arts, so he enters a martial arts tournament!

## ONE-PUNCH MAN

ONE + YUSUKE MURATA

My name is Saitama. I am a hero. My hobby is heroic exploits. I got too strong. And that makes me sad. I can defeat any enemy with one blow. I lost my hair. And I lost all feeling. I want to feel the rush of battle. I would like to meet an incredibly strong enemy. And I would like to defeat it with one blow. That's because I am One-Punch Man.

# ONE-PUNCH MAN

VOLUME ELEVEN

Nothing about Saitama passes the eyeball test when it comes to superheroes, from his lifeless expression to his bald head to his unimpressive physique. However, this average-looking guy has a not-so-average problem—he just can't seem to find an opponent strong enough to take on! While Saitama's distracted at a martial arts tournament, Centichoro, a threat level Dragon monster, attacks! Metal Bat engages it in battle but struggles against its gargantuan size. The monster knocks him into the distance and right into the path of hero-hunter Garo!
